

PARK CITY WINE FESTIVAL

Parking Information for the Grand Tasting at Canyons Village at Park City Mountain

The Grand Tasting will take place at beautiful Canyons Village at Park City Mountain. Free patron parking will be available in the Cabriolet parking lot, located just after the roundabout on Canyons Resort Drive. You will enter through Canyons Resort Drive, go around the roundabout and take a left onto Lower Village Road before entering the lot. Unfortunately, due to maintenance, the Cabriolet will not be open during the Wine Festival. We will have a shuttle service available for patrons to take you from the Cabriolet lot up into the Resort Village. From there, patrons can easily check in and access the festival grounds. Shuttle service will be available after the event to take patrons back to their vehicles.
